

# Virnig Medium Duty Snow and Material Bucket

## FEATURES:

- Universal quick attach plate fits most late model skid steers and some compact loaders
- Laser-cut view slots for superior visibility
- Available in 78", 84", 96" and 101" models
- Built in cutting edge and double beveled bolt on cutting edge
- High Strength Steel construction
- Recommended for loaders with operating capacities greater than 1800 lbs.

The Virnig Medium Duty Material and Snow Bucket is the perfect tool for moving granular materials such as grain, snow, shavings, and fertilizer.
