

Features:

- Ideal for digging and transplanting trees and shrubs
- Transport and plant balled and burlapped trees
- Open back design allows operator to engage the shovel into the ground on the leading edge of the tree, then continue all the way underneath the root-ball and up the other side. The tree can then be simply removed by rolling back to the centre and lifting out of the hole
- Loosen hard-packed soil, rocks and stumps
- Versatile digging and trenching tool
- Trenches in forward and reverse
- Cut out mounting plate allows for excellent visibility
- Shovel is constructed of 3/8" steel plate with a tapered cutting edge
- 1-Year Warranty - Manufacturer's Defect
- Heavy Duty construction and Powder coat finish

Specifications:

<u>Model #</u>	<u>Shovel Width</u>	<u>Weight</u>
TSH 2400	24"	390 lbs
